Safety Reminder! There are operational aircraft and military vehicles and equipment present. **Please do not touch or lean on propellers, touch switches, levers, or other controls, or treat the aircraft and vehicles roughly.** The aircraft, vehicles, and equipment are old, and while maintained in excellent condition, should be respected and treated gently. Their operators will greatly appreciate this. **Please stay clear of moving vehicles or aircraft.**

The *Alamo Liaison Group* (Now operating as the *Alamo Liaison Squadron*) host of today's event, was founded in 1982 as a non-profit 501(C3) organization with the stated purpose of purchasing, restoring, maintaining, and flying Liaison aircraft from World War Two. The squadron is recognized as a flying museum by the State of Texas and is made up of members of the surrounding communities. We participate in various community events, airshows, parades, and fairs in the area. We derive our funding primarily from membership dues and contributions and the generosity of members and friends of the squadron. We appreciate any help businesses, organizations, or the general public can offer. Sponsorship opportunities are available.
